Working with you

This document and the terms in it (the “Agreement”), give you an overview of our services, how we will deliver these services to you and how we can help you. It covers how we will work together and the work we will carry out on your behalf, along with an explanation of the fees we charge and the legal and regulatory information we need to disclose to you.

With the following information, you may select the service package that best suits your needs. We will discuss your options with you so that you fully understand what is offered and how it will benefit you. If you have any questions about our services or this Agreement, please do not hesitate to ask us.

Who we are

TRPP Wealth Management is a firm of Chartered Financial Planners (we, our or us) offering independent financial advice. We are an appointed representative of Best Practice IFA Group Limited, a network that promotes a high level of market standards through the provision of resources, technology, training and support. Best Practice IFA Group Limited is authorised and regulated by the Financial Conduct Authority. The registration number is 223112 and a full list of its appointed representatives can be found on the FCA register www.fca.org.uk/firms/systems-reporting/register.

Your advice options

We offer the following advice options:

- **Full advice:** this involves a comprehensive financial review based on all aspects of financial planning
- **Focused advice:** this involves certain aspects of financial planning only, as specified and agreed with you
- **Execution only:** for one-off transactions instructed by you

We will confirm which of these advice options will be provided before we start providing our service to you.

Where you have chosen a full advice service, we aim to provide full and comprehensive advice rather than limiting it to one area of financial planning. This means that we will consider how all your plans and investments overlap and interact with one another in order to formulate the most efficient strategy for your needs. In order to construct an all-encompassing financial plan for you, we would consider Income Protection, Protection, Pensions, Savings, Investment, Taxation and Trusts.

If you have elected for a focused advice service, we will provide you with information on the types of product and areas of advice that we recommend for you.

What you can expect

It is important that you know what to expect in terms of the services we provide and that you understand our commitment to you in the provision of those services. We commit to being professional, clear, and fair in our dealings with you and that any service or advice provided is in your best interests.

Where we recommend particular investment strategies and products to you, these will be selected based on your personal circumstances, financial goals, and objectives. We will consider a number of factors, including the services you need, your investment experience, the cost of investing, how much risk you are prepared to accept, how much risk you need to take in an investment product and how much of a drop in its value you could withstand. We have a clear process to create your financial plan.

Initial meeting

Whatever financial decisions you have to make, the first step towards making the right decisions is to establish a clear understanding of your financial needs. People seek financial advice for many different reasons, so it is important that we understand exactly who you are and what you want to achieve. At our first meeting we will gather information about you to help define your needs and priorities.

We will meet with you to capture important information about your current circumstances. This is our chance to discover your financial priorities, objectives, and aspirations. We will also discuss your attitude towards investment risk and explain how such risk may affect you.

This initial meeting will take approximately two hours and we will close with a summary of our findings and our suggested next steps toward a tailored, yet realistic, solution to your financial needs. There is no obligation to proceed at this stage and no costs will have been incurred.

Research and analysis

If you decide to proceed, we will ask you to sign this Agreement. This will represent your permission for us to commence chargeable work.

At this stage, we will begin the process of thoroughly analysing your current position based on our extensive knowledge of financial markets and commence researching potential solutions for your needs. If we need to consult with any other professional advisers or financial service providers with whom you already have an agreement with, we will ask for your written consent to doing so.

Report preparation

When we have all the information we require, we will prepare a full financial planning report for you that will set out your current position and outline thoroughly researched recommendations we believe to be in your best interests. We will arrange a convenient time to discuss these recommendations with you in full and guide you through our report step-by-step. You are free to take the report away to read and consider before agreeing to move forward to the next stage.

Discretionary management

We may recommend a third-party discretionary fund management service to manage your investments. This means that your portfolio can be maintained in real time without receiving any instructions from you each time an investment decision is made and implemented. The benefit of this approach is that portfolio transactions can be implemented quickly and efficiently, and dealing charges will, in most cases, be reduced.

We have agreements in place with selected discretionary fund managers (**DFMs**) and their products operate on an 'agent as client' or 'agent of client' basis.

If we recommend you use a DFM that operate on an agent as client basis, you agree by signing this Agreement that you authorise us to act as your agent and on your behalf in implementing an agreed discretionary management service. This means you will have no direct contractual relationship with the DFM and your key point of contact for this service will be with us. As a result, you may have no direct recourse against the DFM in the event of a complaint. This does not remove your right to refer complaints to the Financial Ombudsman, but it does affect how you pursue the complaint.

If we recommend you use a DFM that operate on an agent of client basis, you agree by signing this Agreement that you authorise us to intermediate and act on your behalf to implement an agreed discretionary management service. This means you will have a direct contractual relationship with the DFM and the DFM will recognise you as its contracting client. You will be able to raise a complaint directly to the DFM in accordance with your agreement with the DFM.

If we make a recommendation for a DFM service, we will confirm which of the above arrangements apply. We will also inform you of the additional fees in relation to this service.

Our work typically includes:

- Undertaking appropriate due diligence and recommending a DFM service that we believe best meets your needs and objectives
- Where applicable, attending initial meetings with you and the DFM and ensuring that your relationship with the DFM is established correctly (*this will not be applicable where the service offered is a model portfolio service*)

Implementation

Once you feel that you are able to make a fully informed decision to proceed, and you have given us your consent, we will begin the process of implementing our recommendations. We will help you in completing all of the relevant forms and ensuring your applications are processed by the relevant investment firms and providers.

Ongoing review services

Depending on the size and complexity of your requirements, you may or may not need ongoing review services. These services are optional and can be cancelled if you decide you no longer need them. If we have not agreed with you to provide ongoing review services, your portfolio will not be monitored unless you contact us to ask for a specific service.

As a minimum, our ongoing review service will include an annual review with you in person in the UK. The agenda will typically include:

- A review of your current situation and an update of our initial Fact Find to capture any changes
- An assessment of your objectives for the next few years
- A re-appraisal of your attitude to risk, identifying any changes and confirming the ongoing appropriateness of your portfolio
- A review of previously recommended arrangements and confirmation of their ongoing suitability
- An evaluation of your investment's performance against your objectives and circumstances
- If pension planning is within scope, we will discuss future projections and comment on whether targets are realistic
- An annual rebalancing of your portfolio, if required
- Annual valuations

- Basic top up contributions to existing pensions or investments
- Meetings with a discretionary fund manager if applicable
- Confirmation of advice costs and charges

Cancellation of ongoing review services

If you have selected an ongoing review service, you can cancel at any time if you decide you no longer need this. If you are considering cancelling an ongoing service, please consider the following:

- If your financial circumstances, objectives and attitude to risk change over time, the structure of your investment portfolio may become less suitable
- As financial markets fluctuate, the composition of your portfolio may become unbalanced and ultimately expose you to more risk than you wish to accept
- Any negotiated discounts may stop

Should you cancel, you may choose to receive ongoing review services again at any time.

Understanding the cost of our services

Working with a professional financial planner provides expertise and peace of mind. We build multi-decade trust-based relationships with our clients. We need to understand what really matters most to you and your family, what you are trying to achieve in life and how we can help you to achieve those goals.

We are committed to ensuring that our services represent excellent value for money, and we will always make you aware of any charges and fees before they are incurred.

Our fees are based wholly upon the provision of our qualified and professional expertise, the time taken to analyse your circumstances and devise an appropriate plan and the completion of a report that explains our recommendations. Our fees also take into account the broader costs of performing such an important role in your life, such as the provision of a high quality regulatory and compliance framework.

If you agree to proceed, you can choose whether your fees are deducted from your investment amount at the outset so long as the recommended product provider can facilitate this, or you can make your payment to us by cheque or bank transfer. Any cheques should be made payable to Best Practice IFA Group Limited.

If you agree that we should undertake initial research towards your goals, but you subsequently decide not to proceed with our recommendations, you will still need to pay the agreed fee in relation to this service as set out in this Agreement.

With protection planning, we may receive a commission payment from a product provider. If we do receive a commission payment, no additional fees will be payable by you in relation to this service. If the commission payment relates to a regular contribution policy and you stop paying premiums on that policy, we may need to refund the commission received back to the product provider and we reserve the right to request from you the payment of any outstanding balance of fees for our services.

Cost of initial services

We charge fees for initial advice based either on a percentage of the amount invested, or a fixed fee based on an hourly rate. In certain circumstances it may be preferable to use one basis over another. We will discuss the most suitable solution for your needs.

Percentage of investment capital involved, normally for new instructions which entail the use of financial products.

This would be a one-off charge made at the point the new financial product is put in place. The percentage is rounded **up to 1 decimal place**.

Band Value	Percentage Fee
For the first £50,000	3%
£50,000 to £100,000	1%
£100,000 to £500,000	0.5%
£500,000 to £1,000,000	0.25%
Over £1,000,000	0.1%

In some circumstances it may be necessary to work on an agreed fixed fee based on an hourly rate, rather than this scale and you will be advised if this is the case.

Example 1: If you invest a lump sum of £150,000, we would charge an initial 'adviser charge' of £2,250.

$£50,000 \times 3\% = £1,500$

$£50,000 \times 1\% = £500$

$£50,000 \times 0.5\% = £250.$

Total £2,250 which equates to a blended initial charge of 1.5% of £150,000

Example 2: If you invest a lump sum of £500,000, we would charge an initial 'adviser charge' of £4,000.

$£50,000 \times 3\% = £1,500$

$£50,000 \times 1\% = £500$

$£400,000 \times 0.5\% = £2,000.$

Total £4,000 which equates to a blended initial charge of 0.8% of £500,000

Example 3: If you invest a lump sum of £1,100,000, we would charge an initial 'adviser charge' of £5,500.

$£50,000 \times 3\% = £1,500$

$£50,000 \times 1\% = £500$

$£400,000 \times 0.5\% = £2,000$

$£500,000 \times 0.25\% = £1,250$

$£100,000 \times 0.1\% = £100$

Total of £5,350 = which equates to a blended initial charge of 0.49% rounded up to 1 decimal place = 0.5% x £1,100,000 = £5,500

What is not included in our fees?

Additional services such as advice on trusts and complex tax advice, are likely to incur separate charges. In addition, we will pass on any third-party costs such as capital gains tax reporting or third-party discretionary management fees. If we do need to charge you for any of these services a fee will be agreed with you in writing in advance.

We do not provide legal or accounting advice and cannot prepare any legal or accounting documents for you. For this, you will need to engage a solicitor or accountant as relevant.

Refunds and cancellation policy

Fees become payable after our services have been provided, so refunds are not normally available. Fees paid in respect of regular or annual services are not refundable. However, any ongoing services may be cancelled upon request, and fees will be payable up to the date of termination. Please also see the 'Right to cancel for third party products' section below, in relation to cancelling individual products or policies.

If you are dissatisfied with our services, please let us know under our UK complaints procedure. We will try to resolve the issue to your satisfaction, which may include offering a refund at our discretion.

Covering the cost of our time

Should we undertake research and analysis work on your behalf it may be appropriate, or you may opt to pay us by hourly rate. Also, if we conduct research and analysis and you decide not to take up our recommendations, we reserve the right to charge you a fee to cover our time. This will typically be represented by a rate of £220 per hour for a Financial Adviser and £140 for a Paraplanner. Additionally, the involvement of administrative staff is represented by a rate of £80 per hour.

The time taken to conduct research and analysis will vary and below we have set out some examples ranging from less complex to more complex. These are a guide, but should you wish to us to work in this way we will estimate the total cost for you in advance of commencing work if you wish. You may ask us not to exceed a specified amount.

Hourly rates

Financial adviser	£220 per hour
Paraplanner	£140 per hour
Administration	£80 per hour

Examples of Hourly Fees

Example 1:

For a straightforward, non-complex investment recommendation such as contributing the annual allowance into a stocks and shares ISA, the costs may typically be as follows:

Financial Adviser:	2 hours at £220 per hour
Paraplanning work:	1 hour at £140 per hour
Administrator work:	1 hour at £80 per hour

Total: £660.00

Example 2:

For a more complex review and recommendations encompassing several existing pensions and investments, the costs may typically be as follows:

Financial Adviser:	10 hours at £220 per hour
Paraplanning work:	5 hours at £140 per hour
Administrator work:	6 hours at £80 per hour

Total: £3,380

Example 3:

For a very complex review and recommendations encompassing several existing pensions and investments, consideration of issues such as the Annual and Lifetime Allowance, inheritance tax planning and working with other professionals, the costs may typically be as follows:

Financial Adviser:	30 hours at £220 per hour
Paraplanning work:	8 hours at £140 per hour
Administrator work:	20 hours at £80 per hour

Total: £9,320

Decency Charge

Regardless of the investment holdings, we apply a cap to overall initial charges in any annual period of £25,000.

Regular contributions

When you wish to pay regular contributions, we will arrange this on a time costed basis.

Invoice procedure

Invoices are issued within 10 business days of either an advice service being finalised and/or presented, or in the case of implementation fees, within 10 business days of your initial investments being purchased.

A business day means a day which is not a Saturday, Sunday or a public holiday in the United Kingdom.

Cost of ongoing review services

We can provide ongoing review services designed to maintain and monitor your portfolio and to ensure your financial plans remain on track to achieve your goals. Your financial arrangements can change over time, including your goals and risk profile, and our ongoing review service helps to ensure your financial plans evolve to reflect such changes.

The availability of some services is dependent upon the type of financial plan we implement for you. Our typical fee is shown below:

Service Charge

0.75% for our Annual Review Service or 0.5% for our Optimal Service per annum, based upon the prevailing value of your portfolio. Examples as follows:

Example 1: Annual Review Service	Example 2: Optimal Service
Portfolio value < £500k fee is 0.75% per year	Portfolio value > £500k fee reduces to 0.5% per year
Portfolio value of £150k = £1,125 per year, normally payable monthly	Portfolio value £610k = £3,050 per year, normally payable monthly

The **Decency Charge** referred to earlier also applies separately to annual fees which will be capped at £25,000 per annum.

The ongoing services which we will provide are set out in the following table together with the cost of the different service levels which are categorised based on the level of funds being managed.

You will be provided with details of the ongoing costs of our service together with any product and investment charges and costs in percentage and monetary terms before you proceed with any investment.

There may be circumstances where we need to charge a higher fee to cover the cost of the time to do the work involve and we will let you know the options should this need arise.

Other charges

Other charges

Depending on the services we provide, there may be costs and charges (including taxes) related to the financial products and or services we arrange for you that are charged by third parties. These charges may be one-off and payable up front or payable on an ongoing basis. For example:

Service costs: If your investments are held on a platform (an online investment administration service) or managed by a discretionary fund manager (DFM), the platform provider or DFM will charge for administering and/or managing your investments

Investment costs: These are the costs relating to the managing of your investments – for example, fees charged by the investment fund manager or costs relating to investment transactions

Include here any other additional charges that may be relevant.

We will always disclose any third-party costs and charges when making our recommendations.

Aggregated costs disclosure

Aggregated costs and charges

Before we provide you with our advice, we will add together all the costs and charges payable so that you are able to understand the overall cost of our services and recommendations. This is referred to as 'aggregated costs and charges information'.

Tax efficient pension fee collection

We will advise you about the most tax efficient way of paying our fees.

Value added tax (VAT)

As we act on your behalf as an intermediary and intend to implement financial solutions our fees are currently exempt from VAT, which means we do not usually have to make an additional charge of 20%. If we do have to charge you for a service which is subject to VAT, we will inform you in advance.

Other legal and regulatory information

What can we advise on?

TRPP Wealth Management is authorised to advise on and arrange Life Assurance, Pensions and Investments. We are bound by the rules of the Financial Conduct Authority (FCA). Our regulatory permissions allow us to provide products and services to UK residents, they are physically in the UK.

A UK resident means an individual who has been in the United Kingdom for 183 or more days in the previous 12 months.

We offer independent investment advice. This means that we consider a wide range of financial strategies and products. We are constantly reviewing the market to ensure that the services and products we offer are appropriate for our clients.

Where we recommend particular investment strategies and products to you, these will be selected based on your personal circumstances, financial goals, and objectives. We will consider a number of factors, including the services you need, your investment experience, the cost of investing, how much risk you are prepared to accept, how much risk you need to take in an investment product and how much of a drop in its value you could withstand.

The areas we can advise on are:

- Pensions
- Investments
- Protection
- Annuities

Our services include:

- **Financial planning:** It is important to identify what you might want to achieve and how you can do this. We can help you to identify your goals and create a plan for your finances to help you achieve them
- **Retirement planning:** It is important to know whether the money you are saving towards retirement will provide you with sufficient funds to meet your retirement objectives. We can work with you to proactively plan for your retirement and help you decide on the options available once you reach retirement
- **Protection planning:** Most of us want to protect the things that are important to us, our family, business, and quality of life. Protection planning can help to provide peace of mind in the event of your income changing due to unexpected events. We can help you plan for the best way to protect you, your family, or your business

What can we not advise on?

We do not provide advice in relation to individual share holdings. If this is something you need assistance with, we can refer you to a stockbroker.

We do not provide advice on options, futures, and other derivative contracts as we believe that these are unlikely to be suitable for our clients.

We do not refer or provide advice about debt packagers.

Client classification

We will classify you as a 'retail client', which will provide you with the highest degree of regulatory protection. If you believe a different classification may be more appropriate for you, please discuss this with us, but please note that this may affect the level of regulatory protection available to you.

Legal Entity Identifiers ('LEI') and registration of UK trusts

For clients other than individuals (for example if you are a company, charity, or trust) you will need to make arrangements to obtain and maintain a LEI code in order for us to act on your behalf. Your adviser will be able to provide further guidance on the application process.

If you are a trust established in the United Kingdom, you must also be registered with HM Revenue and Customs.

Investment objectives and restrictions

Once you have signed this Agreement, any subsequent advice or recommendation offered to you will be based on your stated objectives, your agreed level of risk tolerance and any restrictions you wish to place on the type of investments, policies, or companies you are willing to consider. Details of any stated restrictions and your objectives will be included in a suitability report that we will issue to confirm our recommendations. We will assume that you do not wish to place any restrictions on the advice we give you unless these are confirmed during our initial discussions.

Client money

We do not handle clients' money. We cannot accept a cheque made out to us or handle cash.

Where you wish to use a cheque to pay any fees, charges, or disbursements where we have sent you an invoice, this should be made payable to Best Practice IFA Group Limited.

Transacting business

By signing this Agreement, you give us and your adviser permission to accept paper, electronic and verbal instructions to transact business on your behalf. This will be especially relevant to switching investment funds. Any instruction received will be considered genuinely given and duly authorised.

Call recording

All telephone calls are recorded for regulatory and training purposes, and these will be referred to as part of our advice records. All call recordings will be used to minimise ambiguity in our discussions or instructions received and are encrypted for security and integrity purposes. These records will be kept in line with regulatory and statutory requirements, which means they will be securely retained for a period of at least 6 years.

In order to meet our regulatory obligations, calls concerning advice and transactions may not be carried out via our adviser's mobile phone number, and any such calls will need to be conducted through the recorded office number stipulated.

Termination

You may terminate this agreement at any time for any reason. Notice of this termination must be given in writing.

You may terminate our appointment at any time without penalty. Please bear in mind that if you give us notice to end these terms with immediate effect and ask us to sell your investments this could result in losses and tax consequences, for which you are responsible, and it may take some time to realise certain assets.

Any pending transactions when notice has been given may not be able to be cancelled and will need to be complete and settled even if this occurs after the date of the notice of termination.

You will need to pay any outstanding amounts owed to us including our fees and any additional expenses incurred by us as a result of the termination up to the date of termination.

We may terminate this agreement on 14 calendar days' notice to you without having to give you a reason.

We may also terminate this agreement or suspend the services being provided to you, immediately by written notice in the following circumstances:

- i. if you fail to respond to our demands for payment or you do not pay us any money you owe us within 7 calendar days of our reminder;
- ii. if you breach any terms of this Agreement and you do not correct this within 5 calendar days notice to do so or such breach cannot be corrected;
- iii. you are unable to pay your debts as they become due, or you undergo an insolvency process (or similar process) that affects you or your property;
- iv. if we need to do so for legal, regulatory or operational reasons or where we suspect fraud, money laundering or other crime;
- v. you do not provide, when requested by us, information which we may reasonably request under this Agreement or if you provide us with false, incomplete, inaccurate or misleading information;
- vi. we reasonably believe that providing services to you might expose us to action or censure from any government, regulator or law enforcement agency;
- vii. we reasonably believe that providing services to you might damage our reputation.

Please note that we may give you the reason for ending this Agreement immediately, but we do not have to.

Termination will not affect accrued rights, responsibilities, existing commitments or any contractual provisions intended to survive termination. This Agreement will continue to govern the legal rights and obligations that arose under this Agreement, or which arise due to the ending of this Agreement.

Right to cancel for third party products

We will inform you of any statutory right to cancel that may apply and the timeframes applicable. For life or pension products, this is usually 30 calendar days. However, there may be occasions where no statutory rights are granted, and we will inform you of this before any contract is initiated and completed.

Material interest

Occasions can arise where we, or one of our clients, will have some form of interest in business that we are transacting for you. If this happens, or we become aware that our interests, or those of one of our other clients, conflict with your interests, we will inform you in writing and obtain your consent before we carry out your instructions and detail the steps that we will take to ensure fair treatment.

We have arrangements in place to ensure our clients are treated fairly, and we have a conflict of interest policy in place to help us manage any risks that may arise. This is intended to ensure that effective

organisational and administrative arrangements are always in place so that we can take all reasonable steps to prevent conflicts of interest. You may ask for a copy of this policy at any time.

Benchmark Capital

We are an appointed representative of Best Practice IFA Group, which is a subsidiary of Benchmark Capital Limited (Benchmark). TRPP Wealth Management is majority owned by Benchmark. In turn, Benchmark is wholly owned by Schroders plc (and together with its affiliates, the Schroders Group). In the interests of disclosure, the companies that fall under Benchmark also include Fusion Wealth Limited and Bright Square Pensions Limited which may feature in recommendations made to you. Additionally, as Benchmark is associated with the Schroders Group, you may receive advice recommendations for funds that are managed by the Schroders Group. Benchmark also has investments in other financial services firms, such as Rayner Spencer Mills Research (RSMR) which may be used by us or the Schroders Group. RSMR is a specialist investment fund rating agency that provides impartial, whole of market fund recommendations.

Companies within the Schroders Group provide discretionary fund management investment solutions which may contain funds managed by the Schroders Group. These solutions may be recommended to you if these are suitable to meet your financial objectives.

None of the connections disclosed above has an influence on our recommendations or advice. Any product or services will only feature in recommendations made to you if they are suitable to meet your needs and objectives. A board of directors has been appointed to maintain oversight and control of the companies within Benchmark and their procedures are in place to monitor and safeguard our clients' best interests.

Consumer Duty and fair value

Our recommendations will be made after completing the appropriate due diligence in relation to the target market of the products and services involved and will be in line with your attitude to risk, investment objectives and your current circumstances, and we will clearly present the value of the products and services recommended to you.

We will discuss our 'Fair Value Statement' with you and provide you with a copy – it gives you a brief overview of our firm and introduces our services, explaining the value we add and benefits you can expect by engaging with us.

Financial crime and fraud prevention

We are committed to upholding the highest standards to identify and prevent money laundering, fraud, corruption, and all other financial crime from occurring. We adhere to the standards required by the UK Bribery Act 2010, Money Laundering, Terrorist Financing and Transfer of Funds Regulations 2017 and Proceeds of Crime Act 2002. To achieve this, we have developed and will maintain effective controls to prevent financial crime and will take all such matters extremely seriously.

Sophisticated fraud attempts via email are notoriously hard to detect and ever-increasing in complexity. We will always remain vigilant and exercise caution whilst communicating with you and will never send bank details or payment instructions via email, as it is not a secure medium. Should you ever receive such a request or instruction, please notify us immediately via telephone on 01794 517066.

We will verify your identity before undertaking any business with you. To do this we may use electronic identity verification systems and we may conduct these checks from time to time throughout our relationship, not just at the beginning. These checks may leave a 'footprint' on your credit file, but it will not affect your credit rating.

If you cannot settle your complaint with us, you may be entitled to refer it to the Financial Ombudsman Service (FOS). Further details of the FOS can be found at www.financial-ombudsman.org.uk or by contacting them on 0800 023 4567.

Compensation scheme

We are covered by the Financial Services Compensation Scheme (FSCS) if we cannot meet our obligations. The extent of cover may be dependent upon the type of business, the circumstances of the claim and the eligibility of the claimant. Most types of investment, insurance, pension business and mortgages are covered by the FSCS up to specific limits. Generally, these limits are:

Investments – most types of investment business are covered for up to a maximum of £85,000.

Pensions – most types of pension business are covered for up to a maximum of £85,000.

Insurance – most types of insurance contracts are covered for 90% of the claim, without any upper limit.

Mortgages – advising and arranging is covered up to a maximum of £85,000.

Further information about the FSCS and the limits that apply to the various types of business, can be found on the [FSCS website](http://www.fscs.org.uk) or by contacting them on 0800 678 1100.

Data protection

We collect and process your personal data (as defined in the UK General Data Protection Regulation (UK GDPR)) in the course of providing our services. We are a data controller (as defined in the UK GDPR) of such personal data, which means we decide the purposes and means of the processing of personal data. Full details of how we process personal data can be found in our privacy notice, [at https://www.trpp.co.uk/wp-content/uploads/2022/12/22.12.01-TRPP-Privacy-and-Cookies-Policy.pdf](https://www.trpp.co.uk/wp-content/uploads/2022/12/22.12.01-TRPP-Privacy-and-Cookies-Policy.pdf)

In particular, we draw your attention to the fact that we may collect and process personal data in relation to your health where you provide this either in a written application or by speaking with an adviser. This data will be collected and processed in accordance with our privacy notice and used solely for the purpose of researching and advising on one or more products to suit your needs and assisting you with the application for and ongoing management of such products. We may therefore have to pass your health data to third party organisations such as Best Practice IFA Group Limited, financial service providers and/or financial product providers in relation to your application or ongoing management of such services or products (as applicable).

We may also have to share your health data with relevant regulators as required by law or regulation.

Any such sharing of health data is expressly for the aim of providing you with the best possible advice and financial outcomes. We do not pass your data to third party organisations for marketing purposes.

In 'Your declaration' below, you provide us with your consent to the above processing and sharing of your health data.

We may not be able to provide a full range of services without such consent, and withdrawal of consent may require us to stop providing our services to you.

Governing law

This agreement and any dispute or claim will be governed and shall be construed in accordance with English law and the parties shall submit to the exclusive jurisdiction of the English courts to settle any disputes or claims which may arise out of (or in connection with) this Agreement between us and you.

Your declaration

This Agreement represents our standard terms of engagement. For your own benefit and protection, you should read this Agreement carefully before signing below. If you do not understand any point, please ask for further information.

Our typical charges are based on the fees outlined above. This Agreement is designed to confirm and formalise our discussion regarding the services we provide and the fee that will be payable once you have agreed to engage our services. Where our charges are based upon a percentage of the initial investment amount and/or ongoing contract value, we will confirm the fee in specific monetary terms. For funds under management with an agreed percentage-based charge, please be aware that as the fund grows the charge will increase. Where our charges are defined by an hourly rate, we will provide an estimate of the overall cost to you before proceeding.

You hereby make the following choices and agree to pay the agreed fee(s) for the services selected:
